Item 1.01. Entry Into Material Definitive Agreements.

Amendment to Credit Facility

On September 13, 2018, Dawson Geophysical Company (the "Company") entered into an amendment (the "Amendment") to the Amended and Restated Loan and Security Agreement (as amended, the "Amended Loan Agreement") for the purpose of creating a new term loan under the Company's existing credit facility with the Company's lender, Veritex Community Bank, a Texas state bank ("Veritex Bank"), whereby Veritex Bank agreed to lend to the Company the aggregate amount of \$6,518,107.51 (the "Term Loan") on September 13, 2018. The Term Loan will mature upon the earlier of: (i) the acceleration of the indebtedness pursuant to the terms of the Company's existing credit facility with Veritex Bank (as amended by the Amendment); or (ii) September 13, 2021. In connection with the Amendment, the Company's Board of Directors approved an increase in our 2018 capital budget to \$17 million in response to a strategic opportunity to acquire certain seismic recording equipment, which the proceeds of the Term Loan will be used to acquire. The Amended Loan Agreement continues to provide for a revolving credit facility (the "Revolving Credit Facility"). The Revolving Credit Facility matures on June 30, 2019. As of this date, the Company has not borrowed any amounts under the Revolving Credit Facility, and the Term Loan does not count toward the maximum amounts the Company may borrow under the Revolving Credit Facility.

As collateral for indebtedness under the Revolving Credit Facility and the Term Loan, the Company has pledged and granted to Veritex Bank a security interest covering all of the Company's accounts receivable and certain of the Company's core equipment. Separate and distinct portions of the

collateral secure the Revolving Credit Facility and the Term Loan as described in the Amended Loan Agreement. The Company will use the Term Loan to purchase certain equipment, which will constitute the collateral for the Term Loan.

The Company continues to be obligated to meet certain financial covenants quarterly under the Amended Loan Agreement, including maintaining a minimum tangible net worth of not less than \$100,000,000 and maintaining a minimum liabilities to tangible net worth ratio of not greater than 1.00 to 1.00. Other than the addition of the Term Loan, the remaining terms and conditions of the Amended Loan Agreement generally continue in the form existing prior to the Amendment.

The foregoing description of the Amendment is qualified in its entirety by reference to the full text of the Amendment, which is filed as Exhibit 10.1 to this Current Report and is incorporated by reference herein.

Item 2.03. Creation of Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in item 1.01 of this Current Report on Form 8-K is incorporated herein by reference.

Item 9.01. Financial Statements and Exhibits.
