Item 1.01. Entry into a Material Definitive Agreement.

On June 2, 2009, Dawson Geophysical Company (the "Company") entered into a new revolving line of credit loan agreement with Western National Bank. Under the new facility, the total amount available for the Company to borrow is \$20.0 million, subject to a borrowing base calculation based on the Company's then-outstanding accounts receivable, as more fully described in the loan agreement.

Under the new facility, from June 1 through June 30, 2009, interest will accrue at an annual rate equal to the Prime Rate, minus three-quarters percent (.75%). Beginning as of July 1, 2009, interest will accrue at an annual rate equal to either: (a) the 30-day London Interbank Offered Rate ("LIBOR"), plus two and one-quarter percent (2.25%), or (b) the Prime Rate, minus three-quarters percent (.75%) as the Company directs monthly, subject to an interest rate floor of four percent (4%). The loan agreement contains customary covenants for credit facilities of this type, including limitations on disposition of assets and mergers and reorganizations. The Company is also obligated to meet certain financial covenants under the loan agreement, including maintaining specified ratios with respect to cash flow coverage, debt to tangible net worth, and current assets and liabilities. The Company's obligations under the new loan agreement are secured by a security interest in its accounts receivable, equipment and related collateral. As of June 2, 2009, no amounts were outstanding under the loan agreement.

All outstanding amounts owed under the loan agreement become due and payable no later than the maturity date of June 2, 2011, and are subject to acceleration upon the occurrence of events of default which the Company considers usual and customary for an agreement of this type, including failure to make payments under loan agreement, non-performance of covenants and obligations or insolvency or bankruptcy (as described in the loan agreement).

The foregoing description of the loan agreement does not purport to be complete and is qualified in its entirety by reference to the Revolving Line of Credit Loan Agreement and the Security Agreement, which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information provided in Item 1.01 to this Current Report on Form 8-K is incorporated herein by reference.

RE: Revolving Line of Credit Loan in the amount of \$20,000,000.00 from Western National Bank to Dawson Geophysical Company

Gentlemen:

Pursuant to the terms of a letter loan agreement, dated as of June 2, 2008 (the "**Existing Loan Agreement**"), Western National Bank, a national banking association (alternatively, "**Western**" or the "**Bank**"), has previously committed to provide to Dawson Geophysical Company, a Texas corporation (alternatively, "**Dawson Geophysical**" or the "**Borrower**"), a revolving line of credit loan in the original principal amount of Forty Million and No/Dollars (\$40,000,000.00) (the "**Existing Loan**"). The Existing Loan is evidenced by a Revolving Line of Credit Note, also dated as of June 2, 2008, executed by the Borrower on behalf of Western, in the original principal amount of Forty Million and No/100 Dollars (\$40,000,000.00) (the "**Existing Note**"). The Existing Note is secured by that certain Security Agreement, also dated as of June 2, 2008, covering those accounts receivable described therein (the "**Existing Security Agreement**"). From time to time, the Existing Security Agreement, and any financing statements filed to perfect the security interest created thereunder, may be collectively referred to herein as the "**Existing Security Instruments**".

Borrower has now requested that Western renew and extend the Existing Loan into a new revolving line of credit loan in the original principal amount of Twenty Million and No/100 Dollars (\$20,000,000.00) (the "**Loan**"). The Loan will be evidenced by a Revolving Line of Credit Note, of even date herewith, executed by the Borrower in favor of Western, in the original principal amount of Twenty Million and No/100 Dollars (\$20,000,000.00), which as stated, will renew and extend the Existing Note (the "**Note**"). The Borrower's performance under the Note will be secured by its execution of a new Security Agreement, of even date herewith, the security interest of which will be perfected by the filing of amendments to the existing financing statement, covering all accounts receivable and equipment described therein (collectively, the "**Security Instruments**"). This Agreement, as defined below, the Note, the Security Instruments, and any

other documents executed simultaneously herewith are collectively referred to as the “**Loan Documents**”.

Western has agreed to renew the Existing Loan into the Loan. In consideration of Western’s agreement to renew the Existing Loan into the Loan, Borrower has agreed to execute this Loan Agreement, the Note, and the Security Instruments required by the Bank, subject to the fulfillment of the following terms and conditions of this letter loan agreement (the “**Agreement**”):

I. TERMS

Agreement

This Agreement, dated as of **June 2, 2009**, and any extensions, renewals, or modifications hereof.

Borrower

Dawson Geophysical Company

Bank

Western National Bank

Commitment

The lesser of the following amounts: (a) the face amount of the Note; or (b) the Borrowing Base then in effect.

Rate

From June 1, 2009 through June 30, 2009, interest under the Note shall accrue at an annual rate equal to the Prime Rate, minus three-quarters of one percent (.75%) (the “**Prime Rate Index**”). Beginning as of July 1, 2009, interest under the Note shall accrue at an annual rate equal to either: (a) the 30-day London Interbank Offered Rate (“**LIBOR**”), plus two and one-quarter percent (2.25%), or (b) the Prime Rate Index, as the Borrower shall choose monthly by notifying the Bank in writing, via facsimile or e-mail, by the last day of each month, with each change to be effective as of the first day of the following month, provided that such interest rate shall not exceed the Highest Lawful Rate, as defined in the Note, or be less than four percent (4.0%). Should Borrower fail to notify Bank of its election of interest rate for any given month, the interest rate shall remain at the interest rate index chosen by Borrower for the immediately preceding month.

For purposes of this Agreement, LIBOR shall mean, with respect to each Interest Period, as defined below, the rate as established as the 30-day LIBOR in the money rate table of *The Wall Street Journal*, a Dow Jones publication, as of each Business Day, as defined below (and for holidays or weekends, LIBOR shall be the 30-day LIBOR published in that money rate table of

The Wall Street Journal, as of the close of business on the most recent Business Day immediately preceding such weekend or holiday). Without notice to the Borrowers or any other person, LIBOR may change from time to time pursuant to the preceding sentence, with the effective date of each change to be the effective date reflected in the money rate table of *The Wall Street Journal*. Without notice to the Borrowers or any other person, LIBOR may change from time to time pursuant to the preceding sentence, with the effective date of each change to be the effective date reflected in the money rate table of *The Wall Street Journal*. Each change in LIBOR to be charged on the Revolver Note will become effective without notice on the commencement of each Interest Period based upon the Index then in effect. “**Interest Period**” means each consecutive one month period (the first of which shall commence on June 1, 2009), effective as of the first day of each Interest Period and ending on the last day of each Interest Period, provided that if any Interest Period is scheduled to end on a date for which there is no numerical equivalent to the date on which the Interest Period commenced, then it shall end instead on the last day of such calendar month. For purposes of this Agreement, the “**Prime Rate**” shall be defined as that rate established as the prime rate in the money rate table of *The Wall Street Journal*, a Dow Jones publication, as of each Business Day, as hereinafter defined, (and for holidays or weekends, the Prime Rate shall be the prime rate published in that money rate table of *The Wall Street Journal*, as of the close of business on the most recent Business Day immediately preceding such weekend or holiday). Without notice to the Borrower or any other person, the Prime Rate may change from time to time pursuant to the preceding sentence, with the effective date of each change to be the effective date reflected in the money rate table of *The Wall Street Journal*. The Prime Rate is a reference rate and does not necessarily represent the lowest or best rate actually charged to any customer. The Bank may make commercial loans or other loans at rates of interest at, above, or below the Prime Rate. “**Business Day**” shall mean any day other than a Saturday, Sunday or legal holiday for commercial banks under the laws of the State of Texas.

Security

The Loan shall be secured by the Security Instruments.

Structure

Under the Note, funds will be available on a revolving basis through **June 2, 2011**, the maturity date of the Loan (the “**Revolving Period**”). During the Revolving Period, the Borrower may borrow, repay, and re-borrow funds as long as the aggregate amount (including outstanding letters of credit) does not exceed the Commitment.

Borrowing Base

At any time, and from time to time, the amounts outstanding under the Revolver Note shall not exceed the lesser of: (a) the face amount of the Revolver Note; or (b) the Borrowing Base, as determined from time to time by the Bank, acting in its sole and unlimited discretion (said lesser amount being referred to herein as the “**Revolver Commitment**”). As used in this Agreement, the term “**Borrowing Base**” shall mean an amount equal to eighty percent (80%) of Borrower’s Eligible Accounts.

For the purposes of this Agreement, the term “**Eligible Account**” shall mean an account receivable of the Borrower (net of any credit balance, trade discount, or unbilled amount or retention) that is contractually due, for which each of the following statements is accurate and complete (and the Borrower, by including such account receivable in any computation of the Borrowing Base, shall be deemed to represent and warrant to the Bank the accuracy and completeness of such statements):

- a. Said account receivable is a binding and valid obligation of the obligor thereon, in full force and effect, and enforceable in accordance with its terms;
- b. Said account receivable is genuine, in all respects, as appearing on its face as represented in the books and records of Borrower, and all information set forth therein is true and correct;
- c. Said account receivable is free of all default of any party thereto, counterclaims, offsets, and defenses, and from any rescission, cancellation, or avoidance, and all right thereof, whether by operation of law or otherwise;
- d. The payment of said account receivable is not more than ninety (90) days past due the invoice date thereof;
- e. Said account receivable is free of concessions or understandings with the obligor thereon of any kind not disclosed to and approved by the Bank in writing;
- f. Said account receivable is, and at all times will be, free and clear of all liens except those in favor of the Bank;
- g. Said account receivable is not a receivable arising from intercompany indebtedness existing between or among any of the Borrower;
- h. Said account receivable is derived from sales made or services rendered to the obligor in the ordinary course of the business of the Borrower;
- i. The obligor on said account receivable (i) is located within the United States or the District of Columbia; (ii) is not the subject of any bankruptcy or insolvency proceeding, nor has a trustee or receiver been appointed for all or a substantial part of its property, nor has said obligor made an assignment for the benefit of creditors, admitted its inability to pay its debts as they mature or suspended its business, (iii) is not affiliated, directly or indirectly, with Borrower, as a subsidiary or affiliate, employee or otherwise; and (iv) is not a state or federal government department, commission, board, bureau, or agency;
- j. Said account receivable is not owed by a customer whose principal place of business is located in a foreign country; and

- k. Said account receivable did not arise from sales to an obligor as to whom fifteen percent (15%) or more of the total accounts receivable owing by such obligor to the Borrower are delinquent accounts receivable (that is, an account that is more than ninety (90) days delinquent).

In addition to the criteria stated above for determining whether an account receivable is an “**Eligible Account**”, the Bank and the Borrower agree that no such account receivable shall constitute an Eligible Account if that account receivable arises from any single customer, other than Client A and its affiliates and subsidiaries (collectively, “**Client A**”), whose accounts receivable constitute more than twenty-five percent (25%) of Borrower’s total accounts receivable. The Bank agrees that an account receivable owed by Client A to the Borrower (collectively, the “**Client A Accounts**”) may still qualify as an Eligible Account even if the Client A Accounts constitute more than twenty-five percent (25%) of Borrower’s total accounts receivable.

Based upon the terms of this Agreement, and the information provided and the representations made by the Borrower to the Bank, the Bank hereby redetermines the Borrowing Base, and establishes it in the amount of Twenty Million and No/100 Dollars (\$20,000,000.00). The Borrower may request in writing an additional increase in the Borrowing Base, such request to be accompanied by a description and evaluation of any additional collateral to be provided by the Bank. The Bank may evaluate such for an increase in its sole and absolute discretion, and in conjunction with such evaluation, may conduct a full credit analysis of the Borrower and the existing or additional collateral.

If the aggregate amounts outstanding under the Note exceeds the Revolver Commitment at any time, the Bank will provide written notice of that event to Borrower. On or before the tenth (10th) day following receipt of such notification by Borrower, Borrower will either, at the direction of the Bank, acting in its sole and absolute discretion: (a) make a mandatory payment to the Bank of the principal of the Note in an amount at least equal to the amount necessary to cause the outstanding principal balance of the Note to be less than or equal to the Revolver Commitment; or (b) create liens on other assets of Borrower, satisfactory in nature, quantity, and value to the Bank, acting in its sole discretion, said assets to have a fair market value sufficient to at least equal to the amount necessary to cause the outstanding principal balance of the Note to be less than or equal to the Revolver Commitment.

Non-Recourse

Although the Borrower is responsible on a corporate basis for the full repayment of principal and interest due on the Obligations and for any other Event of Default for which the Borrower is responsible, the Bank specifically acknowledges and agrees that neither any of the directors, officers, or employees of the Borrower nor any of the Borrower’s shareholders shall have any personal liability whatsoever for the repayment of the Loan. The sole party responsible for repayment of the Loan shall be the Borrower, and the sole security for the Loan shall be the Collateral covered by the Security Instruments.

Purpose

Funds from the Loan shall be to renew and extend the Existing Loan and to provide additional funds for working capital. No proceeds from the Loan shall be used for the purpose of purchasing or carrying margin stock in violation of Regulations G, U, or X of the Board of Governors of the Federal Reserve System.

Maturity Date

As stated, the maturity date of the Note is **June 2, 2011**.

II. REPRESENTATIONS AND WARRANTIES

A. Good Standing and Identity. The Borrower is a corporation, duly organized and in good standing under the laws of Texas. The Borrower's legal name is that reflected in the address of this Agreement. Borrower has the power to own its property and to carry on its business in each jurisdiction in which the Borrower operates.

B. Authority and Compliance. The Borrower has full power and authority to enter into this Agreement, to make the borrowing hereunder, to execute and deliver the Note, to mortgage those interests covered by the Security Instruments, and to incur the obligations provided for herein, all of which will be duly authorized by all proper and necessary corporate action. No consent or approval of any public authority is required as a condition to the validity of this Agreement, the Note, and the Security Instrument, and Borrower is in compliance with all laws and regulatory requirements to which he is subject.

There are no proceedings pending or, to the knowledge of Borrower, threatened before any court or administrative agency that will or may have a material adverse effect on the financial condition or operations of Borrower, except as disclosed to the Bank in writing prior to the date of this Agreement.

D. Ownership of Assets. As of the date of this Agreement, Borrower has good title to the interests covered by the Security Instruments and any other collateral pledged and the other collateral is owned free and clear of liens. F. Financial Statements. The books and records of the Borrower properly reflect the financial condition of the Borrower in all material respects, and there has been no material change in Borrower's financial condition as represented in its most recent financial statements.

G. Hazardous Wastes and Substances. To the best knowledge of the Borrower, the Borrower and its properties are in compliance with applicable state and federal environmental laws and regulations and the Borrower is not aware of and has not received any notice of any violation of any applicable state or federal environmental law or regulation and there has not heretofore been filed any complaint, nor commenced any administrative procedure, against the Borrower or any of its predecessors, alleging a violation of any environmental law or regulation. Currently and from time to time, the Borrower, in the course of its regular business, may use or generate on a portion of its properties materials which are Hazardous Materials, as hereinafter defined. The Borrower has and will make a good faith attempt to comply with all applicable statutes and regulations in the use, generation and disposal of such materials. To the best of its knowledge, the Borrower has not otherwise installed, used, generated, stored or disposed of any hazardous waste, toxic substance, asbestos or related material ("**Hazardous Materials**") on its properties. For the purposes of this Agreement, Hazardous Materials shall include, but shall not be limited to, substances defined as "hazardous substances" or "toxic substances" in the Comprehensive Environmental Response Compensation and Liability Act of 1980, as amended, 42 U.S.C. §9061, et seq., Hazardous Materials Transportation Act, 49 U.S.C. §1802, et seq., and the Resource Conservation and Recovery Act, 42 U.S.C. §6901, et seq., or as "hazardous substances," "hazardous waste" or "pollutant or contaminant" in any other applicable federal, state or local environmental law or regulation. There do not exist upon any property owned by Borrower any underground storage tanks or facilities, and to the knowledge of Borrower, none of such property has ever been used for the treatment, storage, recycling, or disposal of any Hazardous Materials.

III. CONDITIONS PRECEDENT

The provisions of this Agreement will serve as the proposed terms of the borrowing arrangements. Prior to any funds being made available, Borrower will execute and deliver to the Bank, in form and substance satisfactory to the Bank, this Agreement, the Note, and the Security Instruments.

IV. COVENANTS

Unless the Bank will otherwise consent in writing, and so long as any debt remains outstanding or the commitment still available, the Borrower agrees to comply with the following covenants:

A. Affirmative Covenants.

1. As soon as available, but in any event not later than ninety (90) days after the end of each fiscal year, Borrower will provide financial statements, in form and substance satisfactory to the Bank, reflecting Borrower's financial performance as of the end of such year and the related statements of income and changes in cash flows for such year, with the first fiscal year ending on September 30, 2009, such statements to be audited by an independent certified accountant and to be prepared according to generally accepted accounting principals, consistently applied ("**GAAP**").

2. Within ninety (90) days of the end of each fiscal quarter, with the next quarter ending on June 30, 2009, the Borrower will submit to the Bank a financial statement reflecting Borrower's financial performance during the previous calendar quarter, such statements to be reviewed by an independent certified accountant and to be prepared according to GAAP.

3. Within thirty (30) days of the end of each calendar month, Borrower shall provide monthly accounts receivable aging reports.

4. Within thirty (30) days of transmitting any tax return to any governmental authority, the Borrower will submit to the Bank a copy of that tax return.

5. Within thirty (30) days following the end of each calendar month, Borrower shall provide a monthly borrowing base report and compliance certificate in the form attached hereto as Exhibit "A".

6. Borrower shall maintain an average Cash Flow Coverage Ratio of not less than 1.50 to 1.0, calculated quarterly, beginning with the quarter ending on **June 30, 2009**, from the date of the Loan to maturity. For purposes of this Agreement, "**Cash Flow Coverage Ratio**" means, with respect to any period of calculation thereof, the ratio of the sum of: (a) the net income (or loss) from continuing operations of Borrower during such period calculated after any and all distributions to shareholders, plus (b) interest, depreciation, depletion, and amortization expenses of Borrower during such period, less (c) gains from the sale of any assets; plus (d) losses from the sale of any assets; less (e) extraordinary adjustments to net income divided by (f) scheduled capital lease obligations and principal and interest payments, all determined in accordance with GAAP.

7. For any time period for which reporting is required, Borrower will maintain a Debt to Tangible Net Worth ratio of less than 1.50 to 1.00 to be measured quarterly, beginning with the quarter ending as of **June 30, 2009**. For purposes of this paragraph, "**Debt**" shall mean, all liabilities, obligations, and indebtedness of the Borrower, of any kind or nature, now or hereafter owing, arising, due or payable, howsoever evidenced, created, incurred, acquired or owing, whether primary, secondary, direct, contingent, fixed, or otherwise, and "**Tangible Net Worth**" means the excess, if any, of the total assets of Borrower over all items of indebtedness, obligations, or liability which would be classified as liabilities of Borrower, for the time period to be measured, each to be determined in accordance with GAAP; provided, however, that for the purposes of any such computation of Tangible Net Worth, "assets" will not include (a) goodwill (whether representing the excess of cost over book value of assets acquired or otherwise), and (b) patents, trademarks, trade names, copyrights, franchises, and deferred charges.

8. Borrower shall maintain a Current Ratio of not less than 1.50 to 1.0, measured quarterly, beginning with the quarter ending on **June 30, 2009**, from the date of the Loan to maturity. For purposes of this Agreement, "**Current Ratio**" means, with

respect to any period of calculation thereof, the ratio of the sum of: (a) current assets, plus (b) availability under the Revolver Loan, divided by (c) current liabilities. Current assets shall include a minimum balance of cash, plus marketable securities, of not less than \$3,500,000.00, provided that this requirement is only applicable if funds are outstanding under the Note.

9. Borrower shall submit copies of all financial statements, reports, notices, and proxy statements sent or made available generally by the Borrower to its shareholders, of all regular and periodic reports and all private placement memorandums and all registration statements and prospectuses, if any, filed by the Borrower with any securities exchange or with the Security Exchange Commission; and all press releases and other statements made available generally by the Borrower to the public concerning material changes in the business of the Borrower upon their becoming available, but in no event later than 10 days after the same was sent.

10. Borrower will maintain all primary operating accounts with the Bank.

11. The Borrower will maintain its existence in good standing and comply with all laws, regulations and governmental requirements applicable to it or to any of its property, business operations and transactions.

12. The Borrower will promptly pay any reasonable costs incurred by the Bank in connection with the preparation or enforcement of this Agreement, the Notes, the Security Instruments, and any other documentation executed concurrently herewith.

13. The Borrower will remain in substantial compliance with same and will not place or permit to be placed any Hazardous Materials on any of its properties in violation of applicable state and federal environmental laws. In the event that the Borrower should discover any Hazardous Materials on any of its properties that could result in a breach of the foregoing covenant, the Borrower shall notify the Bank within three (3) days after such discovery. The Borrower shall dispose of all material amounts of Hazardous Materials that it generates only at facilities or with carriers that maintain valid governmental permits under the Resource Conservation and Recovery Act, 42 U.S.C. §6901. In the event of any notice or filing of any procedure against the Borrower alleging a violation of any environmental law or regulation, the Borrower shall give notice to the Bank within five (5) days after receiving notice of such notice or filing.

14. The Borrower will provide such other information as the Bank may reasonably request from time to time in its sole discretion.

B. Negative Covenants.

1. The Borrower will not make any change in its present accounting method or change its present fiscal year.
2. The Borrower will not make any substantial change in the nature of its business as now conducted.
3. The Borrower will not reorganize or merge with any other entity, without the prior written consent of the Bank.
4. With respect to the Borrower's interest in any of the properties covered by the Security Instrument, the Borrower will not sell, contract to sell, convey, assign, transfer, mortgage, pledge, hypothecate, encumber, or in any way alienate that interest in such properties, without the consent of the Bank.

V. EVENTS OF DEFAULT

The occurrence and continuing existence of any one of the following will constitute an Event of Default under this Agreement and the Note:

A. Borrower fails to pay when due any principal, interest, or other amount payable under this Agreement, the Note, or any other promissory notes executed or guaranteed by the Borrower in favor of the Bank;

B. Any representation or warranty made by the Borrower hereunder or in any related collateral security or other documents entered into with the Bank proves to be at any time incorrect in any significant respect;

C. The Borrower fails to observe or perform any covenant, obligation, agreement, or other provision contained herein or in any other contract or instrument executed in connection herewith;

D. Any default or defined Event of Default under any security agreement, deed of trust, promissory note, loan agreement or other contract or instrument executed by the Borrower pursuant to, or as required by, this Agreement;

E. F. Borrower: (i) becomes insolvent, or suffers or consents to, or applies for the appointment of a receiver, trustee, custodian or liquidator for himself or any of his property, or generally fails to pay his debts as they become due, or makes a general assignment for the benefit of creditors; or (ii) files a voluntary petition in bankruptcy, or seeking reorganization, in order to effect a plan or other arrangement with creditors or any other relief under the Bankruptcy Reform

VI. REMEDIES

If any Event of Default occurs, any term hereof or of the Note to the contrary notwithstanding, the Note shall at the Bank’s option become immediately due and payable. In addition, the obligation, if any, of the Bank to permit further borrowings hereunder will immediately cease and terminate and the Bank will have all rights, powers, and remedies available under this Agreement, the Note, or other contracts or instruments executed in connection herewith, or accorded by law, including, without limitation, the right to resort to any or all of the collateral and to exercise any or all of its rights, powers, or remedies at any time and from time to time after the occurrence of an Event of Default.
